Get Ready for the Summer Reading Club

The Children's and Parents' Services Department is gearing up for our summer reading club. This year's theme is *Tune in @ Your Library!* and we're getting ready to decorate the room to get you in the swing. During the last few weeks of school, librarians will be visiting each of the elementary schools in the district to put on a show for the kids to encourage them to join the summer reading revelry at the Library. In years past, librarians have taken on the roles of the Emperor, King Bidgood, Hercules, Rumpelstiltskin and Pirates to remind kids how much fun reading can be. Let your children know that they can expect another visit from some interesting characters this year, and bring them to the Library to sign up for *Tune in @ Your Library!* which begins on the last day of school – Friday, June 24th.
