The Great Scavenger Hunt for Kids and Teens

Begins November 1

The library invites kids and teens from 8-19 to participate in the *Great Scavenger Hunt Contest*. This is your opportunity to read great books and win prizes. To get started, choose a book from the eligible books – list available in both the Teen area and the Children's room or at www.kaycassidy.com/hunt - read it, and answer the ten trivia questions about the book (also available in the library or online). Then hand your trivia question form in to the librarian at the Children's or Teen desk. If you answer eight or more trivia questions correctly, you will be entered into a monthly raffle. Look for the display of books in both departments or check out the list at www.kaycassidy.com/hunt and start reading. The more you read, the more chances you have to win!

The library board of trustees invited community leaders as well as members of the general public who expressed an interest in the library repair project to participate on an ad-hoc library advisory committee. The committee met in October and is anticipated to meet again in November before making a recommendation to the board regarding the library facility. Check the library web page for more updates.
