Music and Memory Program

Music can change the life of a loved one afflicted by Alzheimer's, dementia, Parkinson's or other form of cognitive or physical impairment. It can be a tremendous challenge to communicate and find ways to help those struggling with these conditions. Reconnecting them with their favorite music can help you to reconnect with one another and improve their quality of life.

Caregivers can enroll a relative or friend in the Community Library's Music and Memory Program as follows:

- Pick up a playlist questionnaire at the Adult Services Information Desk, fill it out with your loved one's musical selections, and return it to us. You will be notified when your iPod is ready.
- Check out the personalized iPod with a valid MMSCL card for a loan period of 60 days.

For more information, call Debbi Gallucci, Senior Outreach and Reference Librarian, 631-399-1511, x354, or e-mail music.memory@communitylibrary.org. ■
